

D-37 RIDERS HELPING RIDERS MEMORIAL HARE SCRAMBLES RESULTS

RACE DATE: SATURDAY, NOV 27, 2004

Riders Helping Riders would like to thank all the participants who came out and supported our fund!! Congratulations to Mike Childress for winning the Overall and taking home the Ray Bandfield Memorial Trophy. The D-37 Riders Helping Riders Relief Fund is set up to aid any D-37 racer who is badly or critically injured while participating in a D-37 sanctioned event. The RHR committee disburses funds to cover initial expenses (i.e. rent, insurance, food, utilities) until the family can get back on their feet. For additional info. or to find out how you can be involved in RHR, contact Sue Hasten, regularly out in the Checker MC camp/pits.

Many thanks go out to our supporters: Allied Mufflers of Hesperia, OK Trophies, AJ Steel Buildings (Connie & Steve Dillon), Gearhead Racewear, Photos By Grumpy, Breitenbach Chiropractic & Acupuncture, S.S. Concepts, Steve Cox www.casiofunforever.com, please use these sponsors whenever possible and thank them for supporting D-37 Racing. Also thanks to the many District 37 racers and families, especially the Lost Coyotes MC, Checkers MC, Vikings MC, HBMC, RUTS MC, Jackrabbits MC, Brian K. Best, Sandy & Bill Howell, Al & Nan Guzman, Willie & Marge Eveland, Sue, Amy, Colberly & Kevin Hasten, Don Huddleston, Michelle Cassella, Jim Geddes and his loop crew. We want to give extra special kudos to HBMC Club President and GP Steward Dan Barnett for going above and beyond for RHR. Even beyond chasing supplies while sick, Dan is solely responsible for these fine results!! THANKS SO MUCH, this event just wouldn't happen without these super volunteers and supporters!!

A special note of thanks for the crew of Rescue 3 and the ambulance company for being so professional and helping those riders injured during the race. We can't say enough times how much the work of Rescue 3 is appreciated by the club and riders!! Please remember to give to the Rescue 3 jar as often and as much as you can!! As many has heard, Joe Meyers (Big Bear Joe) of the Huntington Beach MC was badly hurt on the expert bomb run. As of this mailing he is still in the hospital with partial paralysis. Riders Helping Riders is keeping in close contact with his family and are standing by to lend our support should he need any assistance at all. Also, Larry Hastings was airlifted out with a collapsed lung and is expected to make a full recovery. On behalf of their families, RHR would like to thank everyone for the many well wishes and prayers they have received from their fellow desert racers!!

If you have any questions on these results, please contact our referee Michelle Cassella at (951) 940-1070 as soon as possible. Any protests MUST BE addressed to our referee within 10 days of the postmark on your envelope.

Again, thank you participating in our annual Riders Helping Riders Memorial Hare Scrambles, we look forward to seeing you again next year!!
